Pre-Released Foetal Mush

Ingested

Reaching with her splintered hands
the cum is seeping from my glans
I grab her hair and spread her legs
I punch her cunt until she begs
Tearing away at the flesh and the
bone while I'm rubbing my dick and I see it has grown
Breaking her jaw as I stamp on her
face life erased bones displaced as I fuck this disgrace
Rotten the child inside her cunt
maggots eat away her flesh
Festers inside her disgusting organs stir
I push my hard shaft up her cunt
push it past the cervix and into
the face of her festering infant
Dead baby on my cock
I force my meat through her womb
her baby's blood is like perfume
Her unborn skewered on my dick
the feeling makes my cum shoot thick
This butchered corpse lies dead
on the floor her mangled child now
rotting my cock craving for more
With my dick up its arse and
my bellend out its mouth one man
foetal spit roasts are the best way to get off
Festers inside her disgusting organs stir
Depopulate foetal homicide
depopulate my cum's like spermicide
Depopulate
Depopulate foetal homicide depopulate
my cum's like spermicide
Depopulate the foetus dies on my dick
Her unborn flesh
Hunt her down I'll crush her fucking
skull ejaculate her pre-released foetal mush
Disgorging her foetus
Depopulate
Homicide.
