One Bad Apple

Parker Brothers

Yeah, yeah, I can tell that you've been hurt
By that look on your face, girl
Some guy brought safety to your happy world
You need love but you're afraid that if you give in
Someone else will come along and break your heart againOne bad apple don't spoil the whole bunch, girl
Ooh, give it one more try before you give up on love
One bad apple don't spoil the whole bunch, girl
Ooh, I don't care what they say
I don't care what you've heardI could make you happy, baby, and satisfy you too
But how can I when you won't give me a chance
To prove my love to you
Won't you just give me one little chance?
I give you love, that's guarantee, you won't be hurt againOne bad apple don't spoil the whole bunch, girl
Ooh, give it one more try before you give up on love
One bad apple don't spoil the whole bunch, girl
Ooh, I don't care what they say
I don't care what you've heardOne bad apple don't spoil the whole bunch, girl
Ooh, give it one more try before you give up on love
One bad apple don't spoil the whole bunch, girl
Ooh, I don't care what they say
I don't care what you've heardI've been noticing you, baby, for a long, long time
I'm not ashamed to tell the world you really messed up my mind
Girl, to me you're like a dream come true
I would rather hurt myself than to ever hurt youOne bad apple don't spoil the whole bunch, girl
Ooh, give it one more try before you give up on love
One bad apple don't spoil the whole bunch, girl
Ooh, I don't care what they say
I don't care what you've heard
