

Same Old Same Old

The Civil Wars

I wanna leave you
I wanna lose us
I wanna give up
But I won't I wanna miss this
I want a heartache
I wanna run away
But I won't Do I love you
Oh, I do
And I'm going to 'til I'm gone
But if you think that I can stay in this
Same old, same old
Well, I don't
I don't I'm gonna break things
I'm gonna cross the line
And make you wake up
'Cause you won't I'm gonna name names,
I'm gonna call us out
I'm gonna say it
If you won't 'Cause do I love you
Oh, I do
And I'm going to 'til I'm gone
But if you think that I can stay in this
Same old, same old
Well, I don't Oh I don't wanna fight
But I'll fight with you
If I have to, If I have to Do I love you
Oh, I do
And I'm going to 'til I'm gone
But if you think that I can stay in this
Same old, same old
Same old, same old
Well, I don't
I don't
