Quavo

[Hook: HXTXG]

Froze, froze, froze, froze yea

Froze, froze, froze, froze

My wrist so froze

My bitch she so cold

Pinky ring so froze

Froze, froze, froze, froze yea

Froze, froze, froze, froze

My wrist so froze

My chain so froze

My bitch she so cold

Pinky ring so froze

[Verse 1: HXTXG]

So froze, so froze VVS got a nigga in a chokehold

All this guala got a young nigga more hoes

All these diamonds got me walking out with your hoe

Sippin' my lean, she on slow mo

Percocet, kick that hoe out she a bozo

We getting guala, y'all broke bo's

Your hoe [?] she got no clothes

Rich nigga ridin' in a Masi, woo

Pull up got bricks behind me, woo

When I start smiling, see diamonds on my teeth

But do not try me, my shooter pull [?]

Silencers all on the tip, hit 'em you won't hear shit

Got snipers broad day on the roof, if Takeoff say shoot boow baow, sniper gon' shoot

We be too froze for these lames, aye

She like my [?], aye

Might just skrt off in the lane, aye

She take her skirt off in my lane, aye

Leave with two hoes, leave with your hoe damn, aye

Rollie my wrist, 50 bands

Pinky ring cost me a grand

[Hook: HXTXG]

Froze, froze, froze, froze yea

Froze, froze, froze, froze

My wrist so froze

My chain so froze

My bitch she so cold
Pinky ring so froze
Froze, froze, froze, froze yea
Froze, froze, froze, froze
My wrist so froze
My chain so froze
My bitch she so cold
Pinky ring so froze
[Verse 2: Quavo]
Ice out all on my neck
Ice out all my wrist
Ice out on my fist

I don't want your hoe so I froze that bitch
Got ice in that bag, I'm trappin' that meth and snow
Your bitch she like snow, she love to put in her nose
If I pipe up your hoe, it's like putting a oldschool on 24's
Come to my hood but nobody safe if I pull up in Wraith
Humongous got molly that bitch wanna taste it
I don't pass a bag [?] like to face it
I bought a dirt bike to fuck up my acres[Hook: HXTXG]

Froze, froze, froze, froze yea
Froze, froze, froze, froze
My wrist so froze
My chain so froze
My bitch she so cold
Pinky ring so froze
Froze, froze, froze, froze yea
Froze, froze, froze, froze
My wrist so froze
My chain so froze
My bitch she so cold
Pinky ring so froze
