## Ladytron

Playgirl, why are you sleeping in tomorrow's world?  
Hey, playgirl  
Playgirl, why are you dancing when you could be alone?  
Hey, playgirl  
Playgirl, why are you sleeping in tomorrow's world?  
Hey, playgirl  
Playgirl, choking on cigarettes won't get you along  
Hey, playgirlHey playgirl, hey playgirl  
Northern lights catch you coming down  
Sleep your way out of your hometownPlaygirl, why are you sleeping in tomorrow's world?  
Hey, playgirl  
Playgirl, why are you dancing when you could be alone?  
Hey, playgirl  
Playgirl, why are you sleeping in tomorrow's world?  
Hey, playgirl  
Playgirl, choking on cigarettes won't get you along  
Hey, playgirlHey playgirl, hey playgirl  
Northern lights catch you coming down  
Sleep your way out of your hometown

Northern lights catch you coming down  
Sleep your way out of your hometown  
Hey playgirl, hey playgirl  
Hey playgirl, hey playgirlForeign coin on a telephone box  
A question mark on a calendar  
An empty seat on the alpha line
