I'm Easy

Fiji

Na na na
Na na na
Na na na na
Mmhmm aw yeah
Aw yeah, uh huh

From the first time that we met
I know we were cool
And even though I was
Kinda acting real rude
She made me feel as if
I had nothing to prove
So I had to get myself back
Together and stay smoove
Never thought that I
Would ever feel this way
Judging from her looks
And the words you say
I knew that I was sprung
From the very first date
What am I tryna say? Ayy

Sheâ€™s a very very special lady
The kind of woman never drive you crazy
She wants me, Iâ€™m easy
And Iâ€™ll never ever break your heart
Weâ€™ll be together baby, never part
For you baby, Iâ€™m easy
Ayy, well

And when Iâ€™m losing my cool
She knows how to make her position
Get me in a state
of mellow dramatization
All mi haffa do is give her just one look
And thatâ€™s all it took
She takes that time to
give her man affection
One hundred percent attention

No other man like me needs it more
Thatâ€™s what Iâ€™ve been waiting for
(Sheâ€™s a special lady)

Sheâ€™s a very very special lady
The kind of woman never drive you crazy
She wants me, Iâ€™m easy (Iâ€™m easy)
And Iâ€™ll never ever break your heart
Weâ€™ll be together baby, never part (uh)
For you baby, Iâ€™m easy (Iâ€™m easy)
Ayy, well well well

And if you ever meet one like her
(Sheâ€™s a keeper)
Never ever diss one like her
(Never ever mistreat her)
Always protect one like her
(Never leave her)
Try to respect one like her
(You best believe her)
BeCuz you got a one in a million chance
Gentlemen you better take
the time to understand
You never gonna get one like that
No way, I promise you

Sheâ€™s a very very special lady (oh)
The kind of woman never drive you crazy
She wants me, Iâ€™m easy (Iâ€™m easy, oh)
And Iâ€™ll never ever break your heart (Oh)
Weâ€™ll be together baby, never part (never part)
For you baby, Iâ€™m easy
(Oh woah woah woah)

Sheâ€™s a very very special lady
The kind of woman never drive you crazy
She wants me, Iâ€™m easy (Iâ€™m easy, oh babe)
And Iâ€™ll never ever break your heart
Weâ€™ll be together baby, never part (ooh yeah)
For you baby, Iâ€™m easy
(Iâ€™m ea-, Iâ€™m ea-, easy)

Sheâ€™s a very very special lady
The kind of woman never drive you crazy
She wants me, Iâ€™m easy

And Iâ€™ll never ever break your heart
Weâ€™ll be together baby, never part
For you baby, Iâ€™m easy
Ayy, well
