

Crown of Age

The Ettes

It's harder than you know
To try to settle down
You see it in her line
You look it up and down
You see it end to end
You read it like a book
And then for what it is
You take a look And when it rains when it rains
Oh the sun comes out again
Crown of age crown of age
Just like it's always been
And you know and you know
Oh what you've gotta do
Crown of age crown of age
Yes it's all up to you It's harder than you know
To get where you belong
Somehow you're always there
Somehow it's always wrong
As far as I can see
That much'll never change
It's what you always know
Just like your name And when it rains when it rains
Oh the sun comes out again
Crown of age crown of age
Just like it's always been
And you know and you know
Oh what you've gotta do
Crown of age crown of age
Yes it's all up to you It's harder than you know
To get where you belong
Somehow you're always there
Somehow it's always wrong
As far as I can see
That much'll never change
It's what you always know
Just like your name And when it rains when it rains
Oh the sun comes out again
Crown of age crown of age
Just like it's always been

And you know and you know
Oh what you've gotta do
Crown of age crown of age
Yes it's all up to you And when it rains when it rains
Oh the sun comes out again
Crown of age crown of age
Just like it's always been
And you know and you know
Oh what you've gotta do
Crown of age crown of age
Yes it's all up to you
