

Crying Time

UB40

When it's crying time again you're gonna leave me
I can see that far away, look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's crying time
Now they say that absence makes the heart grow fonder
And that tears are only rain to make love grow
Well my love for you could never grow more stronger
If I live to be 103 years old
When it's crying time again you're gonna leave me
I can see that far away, look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's crying time
Now you say you've found someone that you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out the door
When it's crying time again you're gonna leave me
I can see that far away, look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's crying time
That it won't be long before it's crying time
