If You Need Me

Gordon Lightfoot

If you want to know the reasons for
The things I feel inside
You can run away and hide if you want to
But if you need me
Show me a way to get through
'Cause I've not see anyone like you
Since I was a manIf you want to know for certain
What is written in my soul
Where my wildest dreams unfold
Like an endless stream
If you need me
Show me a way to walk tall
'Cause I'd not seen anything at all
Until I met youSun lights up the seasons
Blue eyes light up the nightIf you want to know the meaning of
These feelings that's alright
I could be with you tonight
That's where I'd like to stay
If you need me
Show me a love that is true
'Cause I've not seen a woman like you
Since I was a man
