Sax And Violins

Talking Heads

Falling, falling
Gonna drop like a stone
I'm fallin' through the atmosphere
On a warm afternoon
If lovers discover
That everyone dies
So don't tell me, please hold me
It's a dangerous life
Daddy dear
Let's get outta here
I'm scared
Ten o'clock
Nighttime in New York
It's weird
If you're looking for trouble, well
That's what you will find
Mom & Pop
They will fuck you up
For sure
Love so deep
Kills you in your sleep
It's true
Love keeps us together
And love will keep us alive
And we are criminals that never
Broke no laws
And all we needed was a net
To break our fall
They're searchin' for diamonds
They're grabbin' at straws
Sex 'n sin
Sax 'n violins
It's hell
Wooden heads
Furniture with legs
For sale
Love keeps us together
And love will drive us insane
And we are criminals that never

(Shove them there they are)
Broke no laws
(Shove them there they are)
And all we needed was a net
(Shove them there they are)
To break our fall
(Shove them there they are)
(Shove them)

Shove them there they are
Shove them there they are
Shove them
(Hmm)

Shove them there they are

Shove them there they are
Shove them
(Hmm)
Going home
(Shove them there they are)
(Hmm)
Back where I belong
(Shove them there they are)
(Hmm)
To stay
(Shove them)
(Hmm)
Rays of light
(Shove them there they are)
(Hmm)
They will turn the light
(Shove them there they are)
(Hmm)
To day
(Shove them)
(Hmm)
Birds travel together
Birds follow the sun
(Shove them there they are)
And I am watching as the birds go flying home
Shove them there they are
Shove them there they are
Shove them there they are
Shove them

(Hmm)
Shove them there they are
Shove them there they are
Shove them there they are
Shove them
(Hmm)
Shove them there they are
Shove them there they are
Shove them there they are
Shove them
(Hmm)
Shove them there they are
Shove them there they are
Shove them there they are
Shove them
(Hmm)
Shove them there they are
Shove them there they are
Shove them there they are
Shove them
(Hmm)
Shove them there they are
Shove them there they are
Shove them there they are
Shove them
(Hmm)
