

# Calling (Original Instrumental Mix)

## Sebastian Ingrosso & Alesso

Can we freeze, come and surrender our rights and wrongs  
Can we just for a night let the stars decide where we belong  
    Maybe heaven right now is a devil or angel away  
        That won't change  
    Together we vow that our colors will sparkle the faith  
        And I will find you  
            I will find you  
            I will reach you  
        Or I, I, I will lose my mind  
            Lose my mind  
            Lose my mind  
            Lose my mind  
        Yeah I will lose my mind  
            Yeah  
            Lose my mind  
            Yeah  
    Maybe heaven right now is a devil or angel away  
        That won't change  
    Together we vow that our colors will sparkle the faith  
        And I will find you,  
            I will find you,  
            I will reach you  
        Or I, I, I will lose my mind  
            Lose my mind  
            I will lose my mind  
            Yeahhh  
            Lose my mind  
            Yeahhhh
