

# The Devil Is Alive and Well

**Brad Paisley**

Surf the web  
Turn on the news  
Same old story  
Everyday  
Hateful words  
We all use  
So much anger  
So much pain I don't know if you believe in Heaven  
I don't know if you believe in hell  
But I bet  
We can agree that the devil is alive and well  
Alive and well  
From the darkest prison  
To the largest church  
Sometimes for fortune  
Sometimes for fame  
It's ironic  
That some of the worst things are done  
In God's name I don't know if you believe in Heaven  
I don't know if you believe in hell  
But I bet  
We can agree that the devil is alive and well  
Alive and well They can debate what's real, what's right, what's true  
What's sent from up above  
All I know is I'd be leery of anything that isn't based in love  
Cause God is love  
I don't know if you believe in Heaven  
I don't know if you believe in hell  
But I bet  
We can agree that the devil is alive and well Alive and well
