

# Dream Girl

## Anders Osborne

Dream mmmmmmmYeah I loved you since you were young

You always listened to everyone

Deep in your mind your biting your time ohh yaaa

You're dreaming about being a star. a beacon of light for us All and as you get older that bite will get stronger  
ohh yeahhh nowdream girl (close enough to feel it)

dream girl (hold onto that feeling)

dream girlWherever you're going i will be following dream girl

Yeah nothing can stand in your way

You're going to find out one day what a powerful women You will becomin oh yeah

I dont know if you ever heard

You are the center of the universe

The fire you got is made to burn out

oh yeahhhdream girl (close enough to feel it)

dream girl (hold onto that feeling)

dream girlWherever you're going I will be followingdream girl (close enough to feel it)

dream girl (hold onto that feeling)

dream girl
