

# Somewhere On Fullerton

## Allister

Somewhere down in Fullerton  
there's a place we used to go  
to get away from it all  
Somewhere down in Fullerton  
there's a place we used to go  
to get away from it all But I'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
Felt so right four years ago So please don't go away  
Won't this feeling  
stay with me forever,  
forever, I said  
"please don't go away  
I just want you to  
stay with me forever" Somewhere down in Fullerton  
there's a place that meant  
so much to everybody like me  
Somewhere down in Fullerton  
there's a place that meant  
the world to everybody like me But I'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
Felt so right four years ago So please don't go away  
Won't this feeling  
stay with me forever,  
forever, I said  
"please don't go away  
I just want you to  
stay with me forever" But I'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
Felt so right four years ago So please don't go away  
Won't this feeling  
stay with me forever  
forever, I said  
"please don't go away

I just want you to  
stay with me forever"Forever, I said  
"please don't go away  
I just want you to  
stay with me forever"  
Forever, I said  
"please don't go away  
cause all I want is  
you to stay with me"
