R. Kelly

I'ma bout to go to Loveland do you wanna go with meI'ma bout to go to Loveland do you wanna go with meI'ma bout to go to Loveland do you wanna go with meI'ma bout to go to Loveland do you wanna go with meI'ma bout to go to Loveland do you wanna go with meOoh it's unbelievable
How your body feels next to mine
Ooh it's uncontrollable
How you put it down every time
Girl you know that you got me
Going up and down
Fulfilling my greatest fantasy
Stroking it round and round
I don't know what else to do but love you suga
So come on let's cuddle up and make sweet love
You don't need a ticket just get onboard
I'ma bout to take you into LovelandStep in my room
Take your clothes off
Hit the shower
Let you hair down
Get in my bed
Making sounds
Me on top of you rolling around
RepeatOoh we don't know
What tomorrow will bring
So we gonna make this last forever
I'ma bout to taste your love till you can't take it anymore sweetheart
Imagine that said I guarantee to make your body come to me
Hey baby I'm gon set your soul free
Girl I'm bout to take you into LovelandStep in my room
Take your clothes off
Hit the shower
Let you hair down
Get in my bed
Making sounds
Me on top of you rolling around
RepeatIt takes love for the world to go round and round
Even though it has its ups and down
Joy is the key to my soul
Anyone unlock me
Ooh Lord have mercyStep in my room
Take your clothes off

Hit the shower
Let you hair down
Get in my bed
Making sounds
Me on top of you rolling around
Repeat
