

# Money on It

## together PANGEA

You've been walking while I'm sleeping  
I've been thinking about leaving  
Better put my money on it  
I put my money on it I know you're sober but I can't be  
Why can't anything be easy  
Better put my money on it  
I put my money on you We can talk until we talk it out  
We can work until baby, until we work it out  
I've been drinking in the evening  
Because our bedroom has been freezing  
Better put my money on it  
I put my money on it You've been laughing while I'm speaking  
I've been trying to get even  
I put my money on it  
I put my money on you We can talk until we talk it out  
Or we can work until baby, until we work it out  
When we talk it's always screaming  
We can wait until we're bleeding  
When we talk it's always screaming  
We can wait until we're bleeding It's always screaming, until we're bleeding We can talk until we talk it out  
Or we can work until baby, until we work it out
