

I'm Mad

The Presidents of the United States of America

Well, I'm mad, pissed off about this whole affair
I'm mad, I can't believe that we don't care
I'm mad, how can you say just do it?
We completely and totally blew it
I'm mad, that much is true
I'm mad; I'm mad at me, and I'm mad at you
I'm mad; aw, can't you see?
Our overwhelming stupidity

I'm so mad
I'm so mad
It's black and it's white
I'm mad this problem had me up all night
I'm mad; you could say I'm perplexed
We're overworked and we're undersexed
I'm mad, and we were outta time
I'm mad it's too late to take it back
I'm mad, what more can I say?
It didn't have to end this way
I'm so mad
I'm so mad
