

I Wanna Be Loved (feat. Daryl Hall)

Average White Band

(Ooh yeah, aah, ooh yeah, aah aah aah, yeah)
What exactly are you thinking
Let me begin to ease your mind
Whatever the devil pays, for left handed ways
You got to know I'm dealing for my life
Ooh yeah, Save your love for a minute
Keep all your thoughts on the line
I couldn't begin to live for another day
I wouldn't die for the chance to make you mine
I wanna be loved, ooh yeah
I wanna be, wanna be loved by you
Ooh, I wanna be loved, ooh darling
I wanna be loved by you, oh yeah
All the habits of a lifetime
I've been trying hard to make them history
I'm thinking if we got to smooth out the rough spots baby
Say girl "You'd get the best of me"
I wanna be loved, ooh yeah
I wanna be, wanna be loved by you
Ooh, I wanna be loved, ooh darling
I wanna be loved by you, oh yeah
Girl if you're with me
You've got to forgive all my past
I wanna be loved....
