

# Warm Enemy

[Christopher Paul Stelling](#)

Time don't mean nothing if you waste it  
good advice is gonna cost you ... is always free and  
me I'm only trained my replacement  
and now I'm going to make him all come on to me with this i set off in pursuit of this warm enemy  
it sure seems like we got off on the wrong foot  
you've been at your gift horse had a mouth full of rotten teeth  
me, i've never been much of nonpersistence...
