

# Lollipop

## Snoop Dogg

Just blaze

Oh, really?

You know what? You talk too much

Hoe get up out my face unless you tryin' to fuck

'Cause on the real a nigga kinda drunk

And right now the way you lookin' bitch you fly as fuck

I don't even know if I done had too much

You play too much, I had to fuck

Cuddled you up and put my hands on your butt

Rubbin' your stuff and now your pants full of nut

You can't tell me nuttin'

Let me shoot my thang on your bellybutton

I got to, keep it gangsta

Your home girl want some, I just might bank her

Shank her, bank her, and take her bankroll

Big Snoop Dogg and my game is way cold

Never ever overexpose

I usually got a car with a room full of hizzoes

Snoopy, ooh-wee, you so fly

Can I give you a little piece of the pie?

Shake it, fake this thing for me

'Cause you just flow so viciously

Soopa-duper, you so fly

Can I give you a little piece of the pie?

Shake it, fake this thing for me

'Cause you just flow so viciously

Now bitch, check it out, where my money, c'mon wreck it out

Just sayin' hoe, I ain't playin' c'mon, take it out

Dick down the track, c'mon, we gon' work it out

Straight pimp shit we on, we gon' church it out

If you don't know I'm quick to change up stick

My dick in yo' mouth and aim up

Open up your eyes you'll see my navel

Flip down my drawers, you'll see that label

Sniffed so much kane, the bitch got abel

Put the switch on, directed my cable

Splash! What head work and what ass

Bitch stop my dick hurtin', now fuck daz

Run fast if I tell ya bitch walk

Get caught, I'm takin' all that bitch got  
I don't need no relationship  
All I really had in mind was my dick, yo' face and lips, c'mon  
Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, fake this thing for me  
'Cause you just flow so viciously  
Hovi baby, you so fly  
Can I give you a little piece of the pie?  
Shake it, fake this thing for me  
'Cause you just flow so viciously  
She wanna meet the only king on the east coast  
Hook me up witcha boy Snoop she said he so low  
I never get the chance to get at him  
Only on the TV when I blow kisses at him, muah  
Listen here madam, you can throw the pussy at him  
If it ain't about snatch, well it just won't happen  
Hov ain't into backwards mackin'  
How backwards that is  
I don't love 'em though  
'Less makin' a little paper then I love 'em the most  
If she's, sneakin' in the club with the toast  
I'm flyin' the friendly skies with 36 hoes  
Shit, I can get a chef to cook for me  
Talk about some paper if you tryin' to book me  
Ma, you can keep your head  
I got expensive habits that need the bread  
Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, fake this thing for me  
'Cause you just flow so viciously  
Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, fake this thing for me  
'Cause you just flow so viciously  
Let's go do the bump, give me that funky stuff  
Let's go do the bump, give me that funky stuff  
Let's go do the bump, give me that funky stuff  
Let's go do the bump, give me that funky stuff  
I like the way you shakin' that ass, so don't stop  
Slang that ass like I used to slang rocks  
Bend over trick let me get to that spot  
Later on you can lick on my lollipop  
I like the way you shakin' that ass, so don't quit  
You know you get a hella response from my dick

Don't put your fuckin' clothes back on 'til you rich  
The type of woman I want tonight, a straight bitch
