

Down Along the Cove

[Bob Dylan](#)

Down along the cove
I spied my true love comin' my way
Down along the cove,
I spied my true love comin' my way
I say, "Lord, have mercy, mama
It sure is good to see you comin' today
Down along the cove
I spied my little bundle of joy
Down along the cove
I spied my little bundle of joy
She said, "Lord, have mercy, honey
I'm so glad you're my boy
Down along the cove
We walked together hand in hand
Down along the cove
We walked together hand in hand
Everybody watchin' us go by
Knows we're in love, yes, and they understand
