Logo
Omo nla ti de o, Logo Logo yeah
Omo nla ti de ee, Logo Logo yeah yeah

Shine your light, don't be scared
It's okay, just bring me closer
Shine your light, I'll be there
Facial pain with my composure
It's okay to let me
I feel your pain, I feel your pain
Toba shetan, je ko jabo
I'll take your pain, I'll feel your pain oh oh ah
Shoun rere fun mi laye, ma je n taraka ki n to jeun
Fokan mi bale, ma je n taraka ki n to jeun
Shoun rere fun mi laye, ma je n taraka ki n to jeun
Fokan mi bale, ma je n taraka ki n to jeun
Shine your light, don't be scared
It's okay, bring me closer
Shine your light, I'll be there
Facial pain with my composure
It's okay to let me
I feel your pain, I feel your pain
Toba shetan, je ko jabo
I'll take your pain, I'll feel your pain oh oh ah
Shoun rere fun mi laye, ma je n taraka ki n to jeun
Fokan mi bale, ma je n taraka ki n to jeun
