

# Missing You (feat. Aloe Blacc)

## Roseaux

Yesterday I do want my mind  
Think about all the happy time  
Look a picture of what we used to be (What we used to be)  
How I wish, I can turn back time  
To the days where you are mine  
K.O about this feelings inside of me  
Oh I would do almost anything  
Anything to see your face, yeah  
And nobody else can take your place  
Caus' I am missing you  
I got to move on  
Tremble when i hear your name  
There is nothing to heal the pain  
The thought would be without you  
I just can't hang  
No, I can't hang  
Never thought of a feels like this ( Feels like this ! )  
How long for another kiss ( One more kiss ! )  
And anything just to feel your warm embrace  
I do anything  
I do anything to see your face (Yeah)  
And nobody else, take your place  
I missing you right now !  
I can't believe  
I can't believe that you gone from my life  
I got to move on  
Caus' I am missing you  
Missing you  
I can't believe that you gone  
I can't believe that you gone  
I can't believe  
Do anything to see your face  
Give up my money,  
Give up my house,  
Give up my cars,  
Give up my clothes,  
Baby I want to be with you right now, Yeah !  
I missing you right now  
I missing you

I missing you  
From the Eiffel Tower,  
To the pyramid  
All the way [...] Missing you  
From Australia,  
To Austria  
To Zimbabwe, Porto Rico !  
Baby, I missing you !  
I missing you, missing you right now !

...

Everything I see reminds me of you  
The flowers,  
The Trees,  
The birds,  
The bees,  
The Sunlight,  
Everything reminds me of you !  
And no the little things that you do !  
Come on back to my life before you've had enough !  
And I missing you right...  
Nooooooooow !  
Missing You !  
End
