Oh Lorraine

The Temperance Movement

oh Lorraine why'd you do me like you done me
now your name it means nothing to me nothing
yesterday I was drowning in my coffee
but I swear yes I swear those days are gone gone gonemy beautiful illusion
swept up by the side of the road
lucky break like a feather weightmistook it for a heavy load
if you're gonna take something
you got to take it all the way
Lorraine is the potion that can slow it downoh Lorraine why'd you do me like you done me
now your name it means nothing to me nothing
yesterday I was drowning in my coffee
but I swear yes I swear those days are gone gone goneall my lying and abusing
you know I got a manic mind
some say I'll never see the light
been following it all the time
and I've got good eyes for seeing in the dark
Lorraine is the potion that can slow it
down down down downoh Lorraine why'd you do me like you done me
now your name it means nothing to me nothing
yesterday I was drowning in my coffee
but I swear yes I swear those days are gone gone gone
