

Like Jimmy (Prod by Zaytoven)

Wiz Khalifa

I woke up in the bathroom
Bitches they ain't even fucking
Fell asleep in the bathroom
Bitches they ain't even fucking
Like Jimmy, like Jimmy, like Jimmy, like Jimmy
I smoke a joint around the back
I'll be motherfucker here like Jimmy Niggas mad at me, cuz the whores that I leave are so pretty
I'mma a bad ass do my own thing when I'm in your city
Ooh purple hands, be lie purple hands
Come down I need a couple things
Bitches kissing on me, drinking liquor, taking naked pictures from me I woke up in the bathroom
Bitches they ain't even fucking
Fell asleep in the bathroom
Bitches they ain't even fucking
Like Jimmy, like Jimmy, like Jimmy, like Jimmy
I smoke a joint around the back
I'll be motherfucker here like Jimmy Fucking with my best with my boots on
Skimming but it's wild and it's real on
Red wine gotta zone it
Flip my tongue now she open if she bet on it
Ass fat got my name tattoo on it
