

# Forever Love

Gary Barlow

Love it has so many beautiful faces  
Sharing lives and sharing days  
My love it had so many empty spaces  
Im sharing a memory now, I hope that's how it stays  
Now Im deep inside love and still breathing  
She is holding my heart in her hand  
Im the closest Ive been to believing  
This could be love forever  
All throughout my life the reasons Ive demanded  
But how can I reason with the reason Im a man, yeah  
In a minute, Im needing to hold her  
In an hour, Im cold, cold as stone  
When she leaves it gets  
Harder and harder to face life alone  
Now my dreams are filled  
With times when we were together  
Guess what I need  
From her is forever love  
Yeah, Lord yeah  
And I feel forever love  
Oh yeah, well I feel
