

# Something Sad

**Timothy B. Schmit**

I spend all my time searching up and down  
Looking for some other way  
Every now and then I will turn around  
Just to find that it's a new day  
Why am I afraid to be standing here  
Turning my face to the wall  
How can I believe that you're really there  
When I don't even know you at all  
I'll keep trying to make it through  
No matter what you say  
I'm a fool who still loves you  
Bring me a brighter day  
Oh there's something sad about it baby  
I take it slow  
But then everyday I get in my own way  
That's how it goes  
My heart wants to follow you everywhere  
But I try to draw the line  
I'm standing in the shade of a blue affair  
Hoping it will work out in time  
Baby all I want from you is a simple chance  
Just enough time to explore  
We could put an end to this song and dance  
It doesn't have to be such a chore  
In this world full of danger  
All we can do is try  
Maybe we won't be strangers  
Keep my love alive  
Oh there's something sad about it baby  
I take it slow  
But then everyday I get in my own way  
That's how it goes  
Deep in the night I dream we're together  
Nothing can do me wrong  
But then I wake up and find you're really no there  
Like a singer without a song  
Oh there's something sad about it baby  
I take it slow  
But then everyday I get in my own way  
That's how it goes  
Oh there's something sad about it baby...
