Don't Be Gone Too Long

Chris Brown

[Verse 1]
I dug a single seed into the ground
I hope it grows, grows
In a year or two if you're around you'll see a rose, rose
Pack me up and keep me hidden somewhere that you can find me
On this train to Paris going nowhere, trouble is behind me[Hook]
Don't be gone too long (too long)
Cause you won't be there to love me when you're gone
Don't be gone too long (too long)
Tell me who's gonna love me when you're gone[Verse 2: Chris Brown & Ariana Grande]
Golden leaves are dancing on the ground
It's getting cold, cold
Safe from time, we'll be forever young
Never old, old
See a ball of fire out in space, zooming up behind me
All the wondering in your face,
was there inside me[Hook]
Don't be gone too long (too long)
Cause you won't be there to love me when you're gone
Don't be gone too long (too long)
Tell me who's gonna love me when you're gone[Bridge]
Bring it back to me, bring it back to me
Is it really over?
Bring it back to me, bring it back to me[Hook]
Don't be gone too long (too long)
Cause you won't be there to love me when you're gone
Don't be gone too long (too long)
Tell me who's gonna love me when you're goneDon't be gone too long (too long)
Cause you won't be there to love me when you're gone
Don't be gone too long (too long)
Tell me who's gonna love me when you're gone
