On the Way

David Cullen

On the way to your house
I feel new, I feel color, Im with you
On the way to your room
Im alive, Im a flutter, Im a bloomAnd time, it stands still
And we wait until
The light
Flickers and fadesOn the way to your heart
I feel blue, I feel a stutter without youDoes this light have a chance?On the way to your house
I feel new, I feel color, Im with you
