

# On the Way

David Cullen

On the way to your house  
I feel new, I feel color, Im with you  
On the way to your room  
Im alive, Im a flutter, Im a bloom And time, it stands still  
And we wait until  
The light  
Flickers and fades On the way to your heart  
I feel blue, I feel a stutter without you Does this light have a chance? On the way to your house  
I feel new, I feel color, Im with you
