

# Play It Cool

Steve Aoki & MONSTA X

[Verse 1]

Hold tight for me, don't get comfy  
My type I see, and I know that you know me  
I move my feet, she follow me  
Into the streets, there's a bar at the hotel[Pre-Chorus]  
So lets go be the clientele  
'Cause we look like the cartel  
Yeah, yeah, yeah, yeah  
I'm addicted to you right now  
And I wanted to stay 'round  
Tell your powers to come down  
Yeah, yeah, yeah, yeah  
There's something 'bout you

[Chorus]

Baby, I like the way that you keep moving 'round the place  
And when you dancing in my face  
Oh, I just play it cool

Baby, I like the way that you keep moving 'round the place  
And when you dancing in my face  
Oh I just play it cool[Post-Chorus]

Baby I like the way that you keep moving 'round  
The way that you keep moving 'round

It's ce la vie
