

# Time After Time

## Tuck & Patti

Lying in my bed I hear the clock tick and think of you  
Caught up in circles, confusion is nothing new  
Flashback, warm nights, almost left behind  
Suitcase of memories time after Sometimes you picture me I'm walking too far ahead  
You're calling to me, I can't hear what you said  
And then you say go slow, I fall behind  
The second hand unwinds If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time  
After my pictures fade and darkness has turned to grey  
Watching through windows you're wondering if I'm okay  
Secrets stolen from deep inside, the drum beat's out of time If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time You say go slow, I fall behind  
The second hand unwinds If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I will be waiting!  
Time after time  
If you're lost you can look and you'll  
Really, really, really, really find me time after time  
Whoa, if you fall I will catch you, I'll be waiting  
Time after time Say, if you're lost you can look and you  
Really, really, really, really, really, really, find me  
Hey, if you fall I will catch you, I'll be waiting  
Time after time Say, time after time, how long, how long  
Time after time, how long will I love  
Time after time, how long, how long  
Time after time, how long, how long Time after time, I'll be loving you always  
I'll be loving you always, I'll be loving you always  
I'll be loving you always, I'll be loving you always
