I Don't Want You Back

Laura Izibor

Baby, baby, you weren't calling
And it's crazy, crazy to think that you're lonely
You wanted time so I gave it
Made up your mind, now you're changing
You ain't never gonna learn and it's time to face it'Cause I don't want you back, no, no, no, no
And I had all I wanted and I'm gladMaybe, maybe, maybe there was a time
And I would've gave you, gave you, gave you all my time
Guess some things you can't take back
Like all those things that you say
You forget but I remember what was said'Cause I don't want you back, no, no, no, no
And I had all I wanted and I'm glad
