

It's All on U (feat. Liam O'Donnell)

Illenium

At first I didn't think that I was cut enough to bleed
Then I saw my secrets getting swallowed by the sea
 Through a telescope
 I saw a diamond glow
 How you brought me home
I guess I'll never knowWith god as my witness
 Never had it so good
 Jumping into love
 Fire sets to dry wood
 Started off as nothing
 Now it's gold
And it's all on youWith god as my witness
 Never had it so good
 Jumping into love
 Fire sets to dry wood
 Started off as nothing
 Now it's gold
And it's all on you(I get my kicks from you
I get my kicks from you)Can't see, dark road, driving up the hills
 Looking at the girl, hand barely on the wheel
 Got no where to go
 We can take it slow
 How you brought me home
I guess I'll never knowI get my kicks from you
I get my kicks from youWith god as my witness
 Never had it so good
 Jumping into love
 Fire sets to dry wood
 Started off as nothing
 Now it's gold
And it's all on youAnd it's all on you
 And it's all on you
And it's all on youKicks from you
 I get my kicks from you
