

# We Party Hearty

L.T.D.

When we party, we party hearty  
When we boogie, we boogie-woogie  
When we party, we party hearty  
When we boogie, we boogie-woogie Yeah, alright now, yeah  
Givin' invitations to everybody, yeah  
To come along with L.T.D. and party  
Forget any troubles that you might have  
Let yourself be free, get into the madness Alright, yeah, I'm gonna go an' do that, do that, do that, do that  
Let's tear the roof off if we can, yeah  
Let's boogie down until the end Hang up your hangups, they belong to yesterday  
Listen to the music that we playin'  
Because this song has been designed  
With the people who party in mind  
We've got a little thing for everyone to sing  
So clap your hands and make it funky Hey yeah  
Hey yeah When we party, we party hearty  
When we boogie, we boogie-woogie  
When we party, we party hearty  
When we boogie, we boogie-woogie I don't think there's anything that's better, yeah  
Than a crowd of people singing, all together  
And it especially makes me feel so happy, yeah  
When you all join in and start to clap it Because this song has been designed  
With the people who party in mind  
We've got a little thing for everyone to sing  
So clap your hands and make it funky Hey yeah  
Hey yeah When we party, we party hearty  
When we boogie, we boogie-woogie  
When we party, we party hearty  
When we boogie, we boogie-woogie Alright, yeah, yeah, yeah  
Oh yeah I don't think there's anything that's better, yeah  
Than a crowd of people singing all together  
And it especially makes me feel so happy, yeah  
When you all join in and start to clap it Because this song has been designed  
With the people who party in mind  
We've got a little thing for everyone to sing  
So clap your hands and make it funky  
Yeah, yeah When we party, we party hearty  
When we boogie, we boogie-woogie  
When we party, we party hearty

When we boogie, we boogie-woogie When we party, we party hearty  
When we boogie, we boogie-woogie  
When we party, we party hearty  
When we boogie, we boogie-woogie
