

Drivin' Wheel

Dr. Feelgood

(sykes)

(prestige music ltd.)My baby don't have to work

She don't have to rob and steal

My baby don't have to work

She don't have to rob and stealI'll give my baby everything that she want's

I'm a - I'm a - I'm a - I'm a - I'm a

I'm a drivin' wheelI'm a drivin' wheelWell she left me early this morning

She said she would be back soon

She left me early this morning

She said she would be back soonShe said she'd be back early by the morning

Now it's late late late late late on a saturday afternoon

A saturday afternoon- guitar break -Well I wrote my baby a letter

I don't want nobody to break the seal

I wrote my baby a letter

I don't want nobody to break the sealI want this letter to go straight to my baby

I'm a - I'm a - I'm a - I'm a

I'm a drivin' wheelI'm a drivin' wheel

I'm a drivin' wheel

I'm a drivin' wheel
