Stone

Unbelievable Truth

The words that I deliver
Always out of breath, out on a limb
And life out of the mainstream
I declare it dead and gone out of the scene
None of this is harder than knowing about you
If you were someone else I could live without you
Come back later
Be the stone around my neck
Up, sing, up

And there's something you don't notice
What it is I never said
Come back later [come back now]
Be the stone around my neck
None of this is harder than knowing about you
If you were someone else I could live without you
Come back later
Be the stone around my neck
Come back later [come back now]
Be the stone around my neck
Up, sing, up
