

Midnight in Your Eyes

Trixter

Passion burns with the fields on fire
Goin' down to the pain no mind
Pouring the spirits that get me loose
Deliver us from this boiler room
A silence grows in the blood red sky
The road shaking from a broken pride
Into the eyes of a cyclone game
Waste away this eternal flame(whoah-oh-oh-oh-ah)
I can feel that the storm is comin'
(whoah-oh-oh-oh-ah)
And I know that I better start running
when there's
(Midnight, midnight in your eyes)
I can see through your thin disguise
(Midnight, midnight in your eyes)
A heart of stone with your blood on fire
(Midnight, midnight in your eyes)High tide in the darkened seas
Blue regrets all over me
Walkin' the lines with the hopes to free
The animal with apologies
Lady luck's not on my' side
I feel I'm dancin' with the Devil's bride
You'll never let me live this down
So far from the days when I wore that crown(whoah-oh-oh-oh-ah)
I can feel that the storm is comin'
(whoah-oh-oh-oh-ah)
And I know that I better start running
when there's
(Midnight, midnight in your eyes)
I can see through your thin disguise
(Midnight, midnight in your eyes)
A heart of stone with your blood on fire
(Midnight, midnight in your eyes)
I'll bleed I'll bleed for you
(Midnight, midnight in your eyes)(solo)
midnight in your eyes
midnight in your eyes
midnight in your eyesA silence grows in the blood red sky
The road shaking from a broken pride

Into the eyes of a cyclone game
Waste away this eternal flame(whoah-oh-oh-oh-ah)
I can feel that the storm is comin'
(whoah-oh-oh-oh-ah)
And I know that I better start running now(Midnight, midnight in your eyes)
I can see through your thin disguise
(Midnight, midnight in your eyes)
My heart's on fire
(Midnight, midnight in your eyes)
I'll bleed I'll bleed for you
(Midnight, midnight in your eyes)(whoah-oh-oh-oh-ah)
There's blood in the sky
(whoah-oh-oh-oh-ah)
