

Angel On My Shoulder (Extended) [With Tamra]

Kaskade

It's time you see, the love you give
Is killing me, and I wanna live
This isn't right, search your soul for light
So I turned and left, I told myself
I could be, as bad as someone else
But I find it hard, when an angel's on my right
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
Won't you go, no means no
Your dirty life, is like a one man show
You're a night attack, you turn the light to black
So I turned and left, I told myself
I could be, as bad as someone else
But I find it hard, when an angel's on my the right
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my head
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
Talk to me, walk with me
Come with me, beautiful lady
Beautiful lady
Will you come and save me?
Come to me (Come back here)
Walk with me (Come back here)
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
(Come back here)
But you held my hand
And took me right back down to hell
I have an angel on my shoulder
But a devil in my hand
(Come back here, come back here)
