Insane

Puggy

There sitting in the sun
The day had only just begun
You could have felt the breeze
And she's reading what went on
The day before it all went wrong
Wrong because of meSo I sit back
Think of what I should make up
What's a fact
All these lies I can't deny
Turn me into youInsane
Are you insane
I'm the one that I should blame
For letting you live out your complaints
So now
We know that everything is all for show
Truth won't have a mind of its own
And sure enough I'm free
So she looks down at her watch
Counts the hours she has lost
Lost because of meSo I sit back
Think of what that I should make up
What's a fact
All these lies I can't deny
Turn me into youInsane
Are you insane
I'm the one that I should blame
For letting you live out your complaints
oh yeah
oh oh oh
oh yeah
oh oh ohThere sitting in the sun
The day had only just begun
You could have felt the breeze
And she's reading what went on
The day before it all went wrong
Wrong because of meAre you insane (x2)
I'm the one that I should blalme
Are you insane (x2)
I'm the one that I should blame

For letting you live out your complaints
