

# Restless

## Kakkmaddafakka

Hey, i see you working it,

I see you strutting down the street. You look important huh?

I walk the other way, i don't wanna bother you with my sobriety

We used to share the summers nights riding our stolen bikes

But now i don't interest you, i'm like a blog from 1999I only see you when you're walking, walking to  
somewhere

You're so restless, what can be over there?

I only see you when you're walking, walking to somewhere

You're so restless, it must be special thereAnd the next night i see you sitting over there with girl #115

Your fashion caught her eye? Another conquest of your personality

I've tried to indicate that she could be someone for me

But every weekend I see you walking with her quarter to 3I only see you when you're walking, walking to  
somewhere

You're so restless, what can be over there?

I only see you when you're walking, walking to somewhere

You're so restless, it must be special thereI just want to conversate with you but you keep on talking to your  
phone

You're so restless, you're gonna end up alone.I only see you when you're walking, walking to somewhere

You're so restless, what can be over there?

I only see you when you're walking, walking to somewhere

You're so restless, it must be special there
