

Play It Loud

Black Eyed Peas

I pledge my allegiance,
To rhythm and sound.
Music is my medicine,

Let the rhythm poundAnd play it loud, baby play it loud

Play it loud, baby play it loud

Rock the crowd, baby rock the crowd

And play it loud, baby play it loudI found a love,

Its in the music

Drop all your guns,

Drop all that bullshit.

We come to love

Inside the instruments.John Lennon, Bob Marley are my presidents.

The sound of trumpets wake up people sleeping now,

The drum and volume playin' gonna shake the ground

The violins will pick you up when you are down

The melody will spin around and around.And who's going to stop us?

Who's going to stop us from rocking with this sound?

Who's going to stop us, who's going to stop us

From b-b-breaking it down?

Imma play lay it loud, Imma play it loud.

Play it loud, baby play it loud

And rock the crowd, baby rock the crowd

And rock the crowd, baby play it loud.Hot beats coming from the city streets,

M.P.3's via internet from overseas

D.J's playing, you dance to 'em

Swaying, staying up

All night, zombie life

Audio delight, oh.

The sound of trumpets wake up people laying down, oh

The drum and volume playin' gonna shake the ground

The violins will pick you up when you are down

The melody will spin around and around.And who's going to stop us?

Who's going to stop us from rocking with this sound?

Who's going to stop us, who's going to stop us

From b-b-breaking it down?

Imma play it loud, Imma play it loud.

Play it loud, baby play it loud

And rock the crowd, baby rock the crowd

Play it loud, baby play it loud.I pledge my allegiance.

To rhythm and sound.
