

Someone To Light Up My Life

Frank Sinatra

Writer(s): antonio carlos jobim - gene lees - vinicius demoraes
Go on your way with the cloudless blue sky above

May all your days be a wonderful song of love

Open your arms and sing of all the hidden hopes you'll ever treasure

And live out your life in peace
Where shall I look for the love to replace you

Someone to light up my life

Someone with strange little ways

Eyes like a blue autumn haze

Someone with your laughing style

And a smile that I know will keep haunting me endlessly
Sometimes in stars or the swift flight of seabirds

I catch a moment of you

That's why I walk all alone

Searching for something unknown

Searching for something or someone to light up my life
