

# Pearl Hart

## Volbeat

Lady Pearl in jail lady Pearl in jail  
You'll rise  
Lady Pearl in jail lady Pearl in jail  
You'll fight A letter from her mother now dying in her bed  
Get on home quickly with the medicine  
No money in her pocket no wheels to go ahead  
She grabbed her colt 44 and Went along the mountain side  
Mama love I'm on my way don't you cry  
I'll make it just in time  
Mama love I'm on my way don't you cry  
Please hold on The young lady Pearl was dressed  
In a man's jeans and a shirt  
A stage coach was stopped  
And robbed were three passengers  
Gave each of them a dollar  
Enough for them to eat  
Then she disappeared down south and Went along the mountain side  
Mama love I'm on my way don't you cry  
I'll make it just in time  
Mama love I'm on my way don't you cry Lady Pearl in jail lady Pearl in jail  
You'll rise  
Lady Pearl in jail lady Pearl in jail  
You'll fight
