

# Wildfire

**John Mayer**

River's strong you can't,  
Swim inside it we could  
String some lights up the, hill beside it  
Tonight the moon's so bright you could,  
You could drive with your headlights out 'Cause a little bit of summer's what the whole year's all about  
You look fine, fine, fine  
Put your feet up next to mine  
We can watch that water line get higher and higher  
Say, say, say  
Ain't it been some kind of day  
You and me been catching on like a wildfire  
Don't get up just to, get another you can  
drink from mine, we can't, leave each other  
We can dance with the dead  
You can rest your head  
On my shoulder if you want to get older with me 'Cause a little bit of summer makes a lot of history  
You look fine, fine, fine  
Put your feet up next to mine  
We can watch that water line get higher and higher  
Say, say, say  
Ain't it been some kind of day  
You and me been catching on like a wildfire  
I got a rock from the river in my medicine bag  
Magpie feather in his medicine bag  
Say, say, say  
Ain't it been some kind of day  
You and me been catchin' on like a wildfire
