

# Something's Happening

[Lisa Stansfield](#)

Don't ask a question, then I won't tell a lie  
Didn't want connections, but this thing is taking over  
It's workin' overtime, I didn't know emotions Could make me feel this high  
I feel like I could fly, like luck is on my side[Chorus]  
Somethin's happenin'  
I don't know what, I don't know why  
Somethin' unbelievable, somethin's happenin'  
Ain't no matter how I try, I can't shake the feelin'I've lost control over my own heart  
It's got me reeling now, and this is just the start  
Know where you come from, I'm in touch with your mind  
No, this can't be undone  
This love is for all time  
It wasn't meant to hide  
It's warming me inside[Chorus] Could make me feel this high  
I feel like I could fly, like luck is on my side[Chorus: x4]
