Far Away

Sister Hazel

These days, they take a lot from me
The long road, it just won't let me be
God knows it always brings you downI come home and try to make things right
And I know it happens all the time
When I go it doesn't feel the sameYou, you don't need to worry
I am on your side when your heart is hurtingThere's a letter in the bedroom drawer
And a photo that you've seen before
And I, I'm not that far
I'm not that far awayWhen you look into the children's eyes
You can see me on the other side
'Cause I, I'm not that far
I'm not that far awayI can't wait to tell you 'bout last night
I ran off before the morning light
'Cause I swear somewhere they were playing our songI didn't know what I was looking for
I didn't know but I knew I'd be sure
'Cause you and I have never felt so strongYou, you don't have to worry
Always on my mind when my heart is hurtingThere's a letter in the bedroom drawer
And a photo that you've seen before
And I, I'm not that far
I'm not that far awayWhen you look into the children's eyes
You can see me on the other side
'Cause I, I'm not that far
I'm not that far awayYou, you don't need to worry
I am on your sideThere's a letter in the bedroom drawer
And a photo that you've seen before
And I, I'm not that far
I'm not that far awayWhen you look into the children's eyes
You can see me on the other side
'Cause I, I'm not that far
I'm not that far away(I'm not that far)
I'm not that far away
(I'm not that far)
