

1br/1ba

Vienna Teng

1br/1ba hardwood floors with view of trees
1br/1ba parking space for extra fee
My little flock of boxes and I am surrounded
By a painted-white unknown
Soon as this wall in my heart comes down
I'm gonna make it feel like home

1br/1ba: A/C was fine till yesterday
1br/1ba: 89 degrees today
My upstairs neighbors are making sounds
That I never want to hear
I hope they're moving furniture around
And really liking their ideas
