

The Business

Yung Berg feat. Casha

If you know exactly what I wanna do
Then I'm a give the business to you
Yeah, yeah, oh, hear me, sweet baby
Hear me, girl, see, alright
You make it sound as music
Let's play while I'd be
See I ain't neva met a girl
That's getting down like you
Yeah, yeah, yeah, yeah, and I ain't neva met a girl
That put it down like you
Ay, ay, ay, say thug in yo life
That's what you need, shawty
Anything you want
It's guaranteed for my
Boo, boo, boo, boo, boo
Yeah, yeah, yeah, yeah, and I ain't tryin' go hard
For what I need, shawty
I'm tryina tell you exactly what I need from
You, you, you, you, you
'Cause you know I wanna
A freak in morning, a freak in the evening
Just call me up and I'll be there when you need me
When ever you want it you can come and see me
'Cause you know just what to do
You give me the business
Give me the business
Give me the business
You give me the business
Shawty, give me the business
If you know exactly what I wanna do
Then I'm a give the business to you
Oh, oh oh, oh, oh, oh
Then I'm a give the business to you
(Yeah, can I give you the business, shawty?)
Oh, oh, oh, oh, oh oh
(Can I give you the business, shawty?)
Baby, I'm a give the business to you
(From the show to the after party)
That business, baby

'Cause I really wanna drive you crazy
Wanna kiss, wanna rub, wanna lick, wanna touch
Wanna put it beside you, baby
Wanna climb on top of you
And give it to you for an hour or two until you cum, aah
I wanna hit it from the back, ooh, so stroke for a minute or two
Because it's so tight, booty hung right, got her tongue right
[Incomprehensible] to the sunlight
We can have a little Sex in the City
Baby, you can be Carrie, I'm a be Mr. Biggs
'Cause you so fine, that's right
But you look so much better with me
So let me manage ya girl
And did I eva tell ya
That it's nice to know ya
And you know I wanna
A freak in morning, a freak in the evening
Just call me up and I'll be there when you need me
'Ever you want it you can come and see me
'Cause you know just what to do
You give me the business
Give me the business
Give me the business
You give me the business
Give me the business
If you know exactly what I wanna do
Then I'm a give the business to you
Oh, oh oh, oh, oh, oh
Then I'm a give the business to you
(Yeah, can I give you the business, shawty?)
Oh, oh, oh, oh, oh oh
(Can I give you the business, shawty?)
Baby, I'm a give the business to you
(From the show to the after party)
Let's talk about that business baby
It's more than just a 8 letter word
It describes me and you and what we do
Hold on this shit is so good, I gotta [Incomprehensible]
Ya, see you been playing all night
Now it's time to handle business, baby
Keep goin' hard on ya job when ya do it
Ma, you drive me crazy
Give me the business
Give me the business
You give me the business

Shawty, give me the business
If, if, if, if you know exactly what I wanna do
Then I'm a give the business to you
Oh, oh oh, oh, oh, oh
Then I'm a give the business to you
Oh, oh ohohoh, oh oh ohohoh
(Can I give you the business, shawty?)
Can I give you the business, shawty?
From the show to the afterparty
Baby, I'm a give the business to you
To you, to you, to you, to you, to you
