

Stranger In Paradise

The Supremes

Take my hand
I'm a stranger in Paradise
All lost in a wonderland
A stranger in Paradise If I stand starry eyed
That's a danger in Paradise
For mortals who stand beside
I'm an angel like you I saw your face
And I ascended
Out of the commonplace
Into the rare Somewhere in space
I hang suspended until I know
There's a chance that you care Won't you answer that fervent prayer
Of a stranger in Paradise?
Don't send me in dark despair
From all that I hunger for But open your angel arms
To a stranger in Paradise
And tell her that she need be
A stranger no more
